## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance:

In regard to claims 33-47 and 62-64, the prior art does not disclose a control method, a computer readable medium, and a camera control apparatus with the combination of limitations specified in the claimed invention, specifically the limitations of:

superimposing a frame indicating the detection area on an image sensed by said camera apparatus by obtaining detection area information corresponding to the type of the connected camera apparatus from a storage device which stores a plurality of camera apparatus types and plural pieces of detection area information in relation to each other, as stated in claims 33, 38, and 43.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
